

Succession and Career Planning Solutions

Talent & Readiness Drives Business Results

The Harrison Talent Readiness System enables you to fully engage your employees through integrated career and succession planning while simultaneously providing comprehensive decision analytics to manage your qualified talent pools.

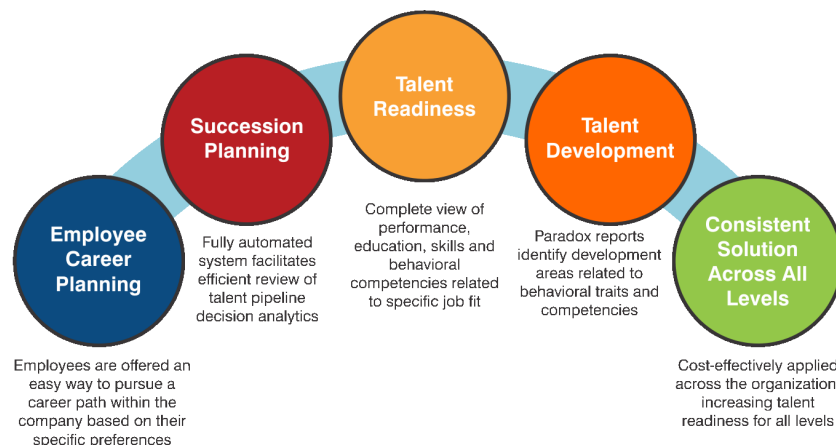

Career Planning

Employees access a personal career planning portal that ranks internal jobs according to their likely enjoyment and engagement preferences. In addition, employees can view reports related to their strengths and areas to develop.

Talent Pool Analytics

Management accesses up-to-date talent pipelines that rank high potentials according to their qualifications and behavioural competencies and suitability related to job opportunities.

Talent Readiness System Features & Benefits

For more information email: c.may@harrisonassessments.com or call: +44(0)203 386 4357

Employees benefit from having involvement in their career planning process and access to personalized development reports.

Management accesses a Talent Readiness Dashboard that objectively ranks employees for positions according to job specific qualifications and behavioural competencies, as well as current job performance. Talent pools are kept up-to-date by employees and Human Resources only needs to access the current talent pipeline for any position.

Personal Career Planning System for each employee to explore internal job opportunities.

The careers opportunities at Test Company are listed below according to your probable level of enjoyment. The highest scores indicate jobs that you may wish to further explore, depending upon your qualifications. Click the Details button to see the job descriptions and requirements. Go to the Select jobs tab to explore job openings.
